

Burlington Police Department

PROPERTY HELD BY THE DEPARTMENT

I need to get my property that is being held at BPD. How do I do that?

Evidence and property is stored in a secure location at the Police Department and can only be accessed by a very few people. This security policy prevents the inadvertent removal or destruction of property or evidence. The people that are authorized to access the property or evidence usually work Monday through Friday, between 8:00 a.m. and 4:00 p.m. You may leave a message by calling the Identification Unit at (802) 540-2419. **It should be noted that due to space limitations general, non-evidentiary property, is held for only 30 days prior to destruction. Also please note that we are unable to return property to citizens who find an item and bring it in to be returned to its owner - even if the owner does not claim it.**
